

## **2009 Strategic Focus Grants**

### **Bridgewater State College Foundation \$5,000**

To bring cutting edge, sustainable, bullying and cyberbullying prevention services to Cape Cod schools.

### **Cape Cod Regional Technical High School \$7,500**

To fund Cape Cod Tech's Community Service Learning Program, which provides students with an opportunity to enhance their social skills, encourages civic engagement, and promotes community responsibility.

### **Community Health Center of Cape Cod \$5,000**

To hire an additional mental health provider to expand and increase capacity of the successful and in-demand behavioral health services program, especially for children, adolescents, and their families.

### **Compass Collaborative \$5,000**

To launch a collaborative Adult Medical Day Care Center.

### **Homeless Prevention Council \$10,000**

To conduct a one-year pilot program to develop a structure and process to expand the partnership between HPC case managers and Lower Cape Outreach Council advocates to initiate case management earlier to enable early identification of at-risk clients before they use up all emergency funds and enter a crisis situation.

### **Massachusetts Audubon Society: Long Pasture Wildlife Sanctuary \$5,000**

To partially underwrite a new revenue-producing program, Aquatic Exploration Cruises Program, in its first full year of operation and help to "seed fund" program costs for 2011.
