Growing Partnerships
For a Stronger Cape Cod
The Cape Cod Foundation is a community foundation whose mission is to build permanent charitable resources for community betterment through informed grantmaking and civic leadership.
Dear Friends,

Since our earliest days, when a group of like-minded, local residents came together to realize their vision for a community foundation on Cape Cod, partnerships have been at the core of our work. So it seems only fitting that, after the celebration of our 25th anniversary in 2014, we launched our “next 25” phase of growth in 2015. This new phase brings a renewed energy and commitment to enhancing community impact through the expansion of existing partnerships and the initiation of new ones. The opportunities to build an even stronger Cape Cod are great, and we know that embarking on the journey together, rather than working in isolation, will yield much greater success.

We invite you to learn more about our partnerships and the work we’re accomplishing. We are honored to collaborate with many wonderful individuals and organizations who share a passion for Cape Cod and who have dedicated themselves to keeping Cape Cod thriving! The scale of the work is broad and inclusive, and we encourage you to reach out to us if you want to learn more and/or get involved.

We would be remiss not to recognize and thank Eileen Miskell, The Cape Cod Foundation’s Chairman and President from 2014-2015. She has been a guiding force in furthering the Foundation’s position as a leader and a partner within Cape Cod’s nonprofit sector during her tenure. We are extremely grateful for her dedication and commitment to the Foundation and to Cape Cod. Although her term as Chairman has ended, she will continue to serve on our Board and continue to chair The Falmouth Fund.

Thank you for your support of and partnership with The Cape Cod Foundation. Together, we are creating a thriving and sustainable Cape Cod community.

With sincere thanks,

HENRY R. HOLDEN

Town Funds

The Falmouth Fund (est. 2009) and The Chatham Fund (est. 2011) are two town funds of The Cape Cod Foundation designed to meet the unique needs of their respective communities. Both funds are beneficiaries of donations from community philanthropists who have committed at least $5,000 over five years, as well as other donors. The Falmouth Fund distributed over $59,000 in 2015, its sixth year of grantmaking. The Chatham Fund distributed $11,850 in 2015, its third year of grantmaking. We are pleased to also announce the addition of The Fund for Sandwich in 2015 to our Town Fund family!

“We set out to create an organization that would unite the residents of Barnstable County and broaden their perspective on the needs of all of Cape Cod... what we got is an invaluable organization that can quickly work miracles by identifying and funding unmet community needs and providing the means for regular folks to create a legacy.”

Cape Cod Association

Scholarship Award Recipients

Over 150 years ago, a group of successful gentlemen with a passion for Cape Cod came together to offer tuition assistance to Cape Cod residents. Today, the Cape Cod Association is one of the oldest and largest independent scholarship funds in New England, awarding $450,000 to 282 Cape & Islands students in 2015. The Association is proud to recognize and assist deserving young men and women in furthering their education.

The Non-Event
The Cape Cod Foundation’s inaugural Non-Event was held during the summer of 2015. This fundraising campaign was an opportunity for donors to stay home and enjoy time with their family and friends and NOT have to attend another summer fundraising event. All proceeds raised from the event’s “ticket sales” went directly to support the Foundation’s civic leadership efforts.

In addition to purchasing tickets and tables to not attend, donors were able to Fund a Need, which, for 2015, was the implementation of the Cape-wide Youth Action Plan. The Foundation’s Fund a Need contributions specifically supported community-identified priorities to increase:

- Access to information and programs for young people through a centralized resource
- The number of empowering youth-adult relationships and provide capacity building and technical support to local groups and organizations facilitating these matches
- Opportunities for young people to become more engaged in their communities through civics education and volunteerism
- Support for region-wide efforts that collaboratively address the substance abuse crisis

We were overwhelmed with the response to the inaugural Non-Event and exceeded our fundraising goal!
We would like to thank the people who purchased tickets, tables and/or Funded a Need:

Annual Report 33
From an investment standpoint,
2015 was a challenging year as various factors,
including the sharp decline in the price of oil and
anticipation of increased interest rates (which finally
occurred at the December meeting of the Federal
Reserve), weighed on the equity markets with little
offsetting help from the income.

As this is written, reduced volatility in the energy sector
and generally positive employment indicators suggest
that our domestic recovery, while fragile, continues on
track, although the outlook for corporate profit growth
is muted. Recently, both the Federal Reserve and
International Monetary Fund have expressed concerns
relative to global growth. The above, combined with
expectations of modest interest rate increases later
this year, suggest a rather lackluster outlook for both
equities and fixed income.

I would be remiss if I failed to express my (and your)
appreciation to the members of our Investment
Committee who give freely of their time and talent
as stewards of the Foundation’s endowment funds.
