

2022 Targeted Capacity Building Grant Recipients

The Cape Cod Foundation's capacity building grants are derived from a variety of discretionary funds of the Foundation to support organizations across all areas of our community: health, human services, the environment, education, the arts, and community development, among others.

Amazing Grace of Cape Cod, \$20,000

For staff expansion to renew relationships and rebuild networks for sustainability

Amplify POC Cape Cod, \$25,000

For staff expansion to build out sustainability initiatives and program infrastructure

Belonging to Each Other, \$25,000

For technology enhancements to improve client support and volunteer engagement processes

Cape Cod Chamber Orchestra, \$15,000

For staff expansion and software to streamline development, patron, and donor management processes

Community Connections, \$25,000

To pilot a thrift store to generate general operating fund revenue and provide workforce development opportunities

Health Imperatives, \$25,000

For staff expansion to strengthen internal and external immigrant support services

Health Ministry, \$25,000

For staff expansion to strengthen volunteer services and allow more opportunity to focus on strategic development

Helping Our Women, \$25,000

To establish a center for women's wellness and peer support on the Outer Cape

Hyannis Public Library, \$23,100

To establish a Communications Laboratory to increase community access and utilization of library and community programs

Lower Cape Community Access Television, \$15,000

For software to strengthen development systems and to scale technical operations and community use of their new facility

Sharing Kindness, \$25,000

For clinician and volunteer training to transform their peer grief support model
